# Women on Boards

*First of its kind in the Scotland*

It was great having you as a guest speaker at our Women on Board workshop last month. Our participants had a wonderful time listening to you speak and have been inspired indeed. We appreciate your engaging and insightful session. Our participants learned more about Board etiquette thanks to your unique experiences. They are very motivated and eager to begin their board journey as soon as possible.

We hope to work with you again in the future for our Women on Boards summer session, which is set to take place in September 2022.

Pre-registration is now open for our Women on Board workshop's summer session. If you could encourage your connections to join this session, that would be fantastic. It will surely be beneficial to them. They can pre-register by clicking [here](#) or contacting us via our [website](#). Tickets will be FREE to all.

You may follow us on [LinkedIn](#) to stay up to date on our initiatives and activities. Thank you for your interest in Women on the Boards workshop. Let's get our Women on Board.
